

Oct 19, 1998

I purchased this 1976  
Trans Am brand new  
and realized its importance  
to automotive history  
and wanted it preserved.  
As such it only has  
8000 km. as of 1998  
and I never drove the  
car from 1980 until 1998  
when it was sold to  
the second owner.

Bob Huston.

4 SHERWOOD RD E  
AJAX ONT

905-683-0872

P.S. To whom it may concern.

Please preserve this car as  
I have done so all these  
22 years of ownership.  
Thanks.

General Motors of Canada Limited  
Oshawa, Ontario  
L1G 1K7

August, 1977

Dear Pontiac Owner:

This notice is sent to you in accordance with the requirements of the National Motor Vehicle Safety Act.

General Motors has determined that a defect which relates to motor vehicle safety exists on certain vacuum power brake equipped 1976 Pontiacs.

On these vehicles, gasoline vapor may, under certain operating conditions, condense into liquid gasoline in the power brake booster at ambient temperatures of approximately 0 degrees Fahrenheit or lower. Liquid gasoline in contact with the brake rubber diaphragm may cause deterioration in the tensile strength of the rubber to the point that the diaphragm may rupture during a brake application, resulting in loss of brake power assist which could cause vehicle crash without prior warning.

To prevent the possibility of this occurring on your vehicle, your Pontiac dealer will install a power brake vacuum hose filter. This filter will prevent gasoline vapor from entering the power brake booster from the engine vacuum source. This installation will be made at no charge to you.

Instructions for making this correction have been sent to your dealer. The time necessary to perform the labour required will be approximately 10 minutes. Prior to taking your vehicle into your dealer, we suggest you make an appointment in order to arrange a mutually agreed upon service date.

The enclosed Campaign Card identifies your vehicle. Presentation of this card to your dealer will assist their Service personnel in completing the necessary correction to your vehicle in the shortest possible time.

Further assistance, if required, may be obtained from the General Motors Zone Office nearest you. Your Vehicle Owner's Manual provides the location and phone number of each respective Zone Office.

In the event you no longer own this vehicle and/or this recall modification has been performed, kindly return the enclosed Campaign Card advising particulars to General Motors of Canada Limited.

We are sorry to cause you this inconvenience; however, we have taken this action in the interest of your safety and continued satisfaction with our products. Your prompt co-operation would be appreciated.

Dear General Motors Customer:

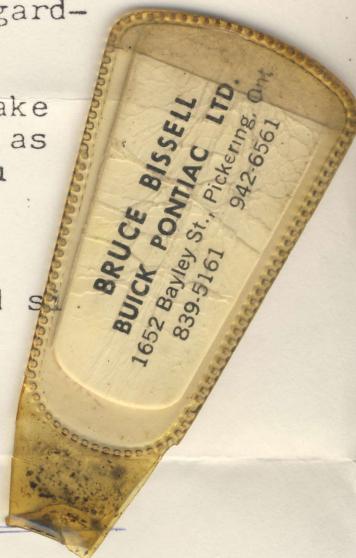

It has been brought to our attention at Bissell Buick Pontiac that your car has a factory fault. By now you will have received a notice regarding this problem.

We would appreciate it if you would take your vehicle to your nearest Pontiac Buick dealer as they would be more than happy to repair it for you free of charge. This is a very urgent matter in that your car may be unsafe to drive.

Feel free to call me between eight and six Monday through Friday.

Thank you for your cooperation.

Yours truly,

I Phoned <sup>DE:gob</sup> Dealer and problem is Douglas Edwards,  
Service Manager.

## PONTIAC·BUICK·GMC MERCHANDISING

July 15, 1978

Dear Trans Am Owner:

On Saturday, August 19th and Sunday, August 20th, Pontiac has arranged for an exclusive parking area, known as the 'Trans Am Territory', for all those Trans Am drivers attending the CanAm/Trans Am race to be held at Mosport Park, on the above dates.

The Trans Am race will be held on the Saturday and the CanAm race on the Sunday.

Pontiac welcomes Trans Am drivers to join us in the 'Trans Am Territory', compare notes, talk cars and watch the racing.

A special feature of this event will be the entry in the Trans Am race of the new Herb Adams, Appliance sponsored Pontiac 'Silverbird' racer. In addition, Mr. John Schinella, Chief Designer for Firebird, will be in attendance at the 'Trans Am Territory' with a Special Type 'K' Pontiac Design Car.

The 'Trans Am Territory' will be located on the inside of corner one adjacent to the paddock. Access is through the B.F. Goodrich gate, straight ahead through the twin tunnels followed by a right turn to the 'Trans Am Territory'.

Enclosed you will find a 'Trans Am Territory' parking sticker which may be applied to the inside lower left portion of your windshield. The sticker itself is not necessary for vehicle entry to the 'Trans Am Territory' but if applied, should facilitate an easier traffic flow into the area.

To reach Mosport Park take the Liberty Street Exit off Hwy 401 at Bowmanville, and proceed north and east to the track following the signs.

This invitation is for the use of a parking area only and does NOT include gate admission. Tickets are available at the gate, or in advance through Mosport Park Ltd., 1905 Avenue Rd., Toronto (416) 781-6626.

Hope to see you there!

Yours truly,

A handwritten signature in black ink, appearing to read 'D.R. Hepburn'.

OCT 23 1979

Dear Sir or Madam:

Please be advised that the Own Choice plates numbered LUV 455 which you selected are now available, and may be obtained on receipt of the items outlined below:

1. One copy of this letter.
2. Your present Motor Vehicle Permit.
3. The enclosed JL.20 and JL.13 forms, fully completed and signed, also the Insurance Statement on back of JL.13 completed.
4. If your vehicle is new and has not been registered, we require the following items:
  - (a) Application for New Registration (JL.1) fully completed and signed.
  - (b) Certificate of Sale of New Motor Vehicle, obtained from Dealer.
  - (c) Proof of Insurance or the U.M.V.F. fee of \$150.00.
  - (d) The registration fee for the number of cylinders of the vehicle: (4 cyl. — \$30.00, 6 cyl. — \$45.00, 8 cyl. — \$60.00, 8 cyl. with over 6.5 litre engine — \$80.00).
  - (e) Form JL.20 fully completed.
  - (f) One copy of this letter.
5. (December 1 to February 28) If you wish to have your plates renewed to the current year, you may do so by forwarding the required registration fee for the number of cylinders, along with Items 1, 2 and 3, Proof of Insurance or the U.M.V.F. fee of \$150.00.
6. If your vehicle falls under Items 1, 2 and 3 the present set of regular series plates on your vehicle will have to be returned to this office for cancellation. However, in order that you may operate your vehicle, on receipt of Items 1, 2 and 3 we will forward the Own Choice Plates, but retain the vehicle permit until the regular series plates have been received for cancellation.

Yours truly,

Miss Elsie Graham,  
Queen's Park Issuing.
